2. We have reviewed these papers quite carefully in O/SI and are impressed by  broad background in ordnance matters as well as his other military experience. We regret that we do not have at this time an available slot for an individual with his qualifications. It is possible that he might be of interest to AD/RR or AD/OO in connection with economic intelligence or "Sovmat" activities.

3. I am, therefore, taking the liberty of forwarding your memorandum with attachments and a copy of this memorandum to AD/RR and to AD/OO.
